

MyStudentBody-Nutrition

National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK) SBIR #2R44DK61870-02

4/15/2002-2/28/2007

PI: Tara Cousineau, Ph.D.

Compared to participants in the control group, those who completed MyStudentBody-Nutrition increased their fruit and vegetable intake. Student using MyStudentBody-Nutrition also improved their motivation to change unhealthy eating behaviors and were also more likely to increase their social support and self-efficacy for dietary change, as well as improve their attitude toward exercise.
