

MyStudentBody-Parent

National Institute on Drug Abuse (NIDA) SBIR #2R44DA022187-02

6/15/2006-3/31/2010

PI: Elizabeth Donovan, Ph.D.

MyStudentBody-Parent is currently being evaluated for efficacy through a field trial. MyStudentBody-Parent aims to increase parents' efficacy for communicating with their student; promote parents' awareness about the effects of different drugs; and reduce high risk student drinking and drug use behaviors following the transition to college.
